High School

*The future.
The past.
The present.
Without one another they can't exist;
Yet, they're all the same thing.
They're always on my mind.
I contemplate.
I remember.
I experience.
And this is retrospect.*

*I will remember
high school as
a time of involvement.
I'd just finished a challenge
or was totally engulfed by it
or had just accepted it.
But the greatest involvement
was with all my emotions.*

*The future is mine
Because it holds my dreams.
I contemplate of the time
My striving will meet
its destiny.*

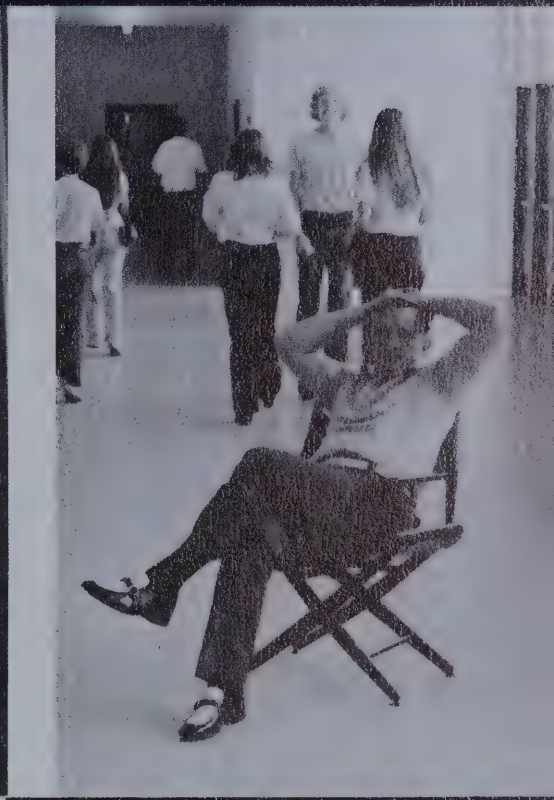

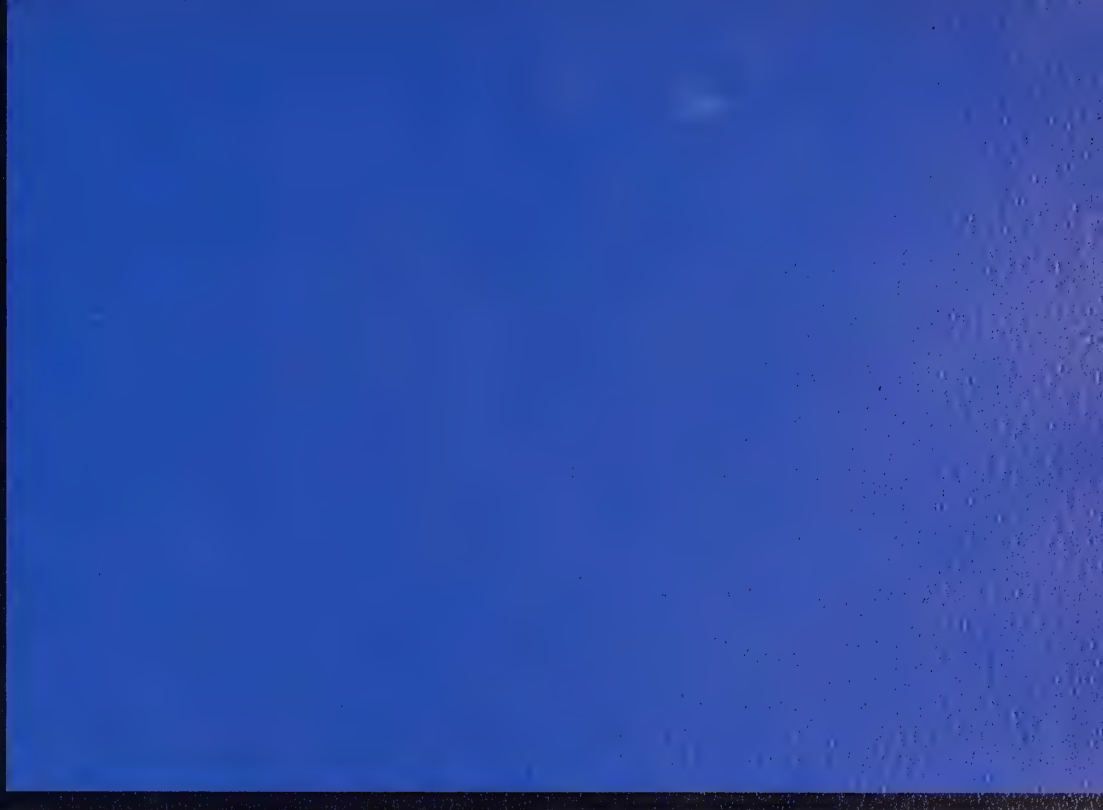

*Which way am I going?
The past, the future
— they intrigue me —
But it's the present that I'm living.
I have to make do with what I've got
And enjoy every minute before it's
past.
I can't let the future control me.
I can't let the past restrain me.
I must go my own way,
with dreams to guide me
with memories to remind me.*

*The past is fantastic.
I saw things,
felt many moods,
did so much.
And I can remember it.*

*The leaves will change
color and
fall
as memories
float
into the
past.*

*But those sad
and bright times
won't be trampled
by
forgetfulness.*

*I'll think of tomorrow.
My quiet reminiscing will
fade
and I'll see the
brightness
and budding
of new things
to come.*

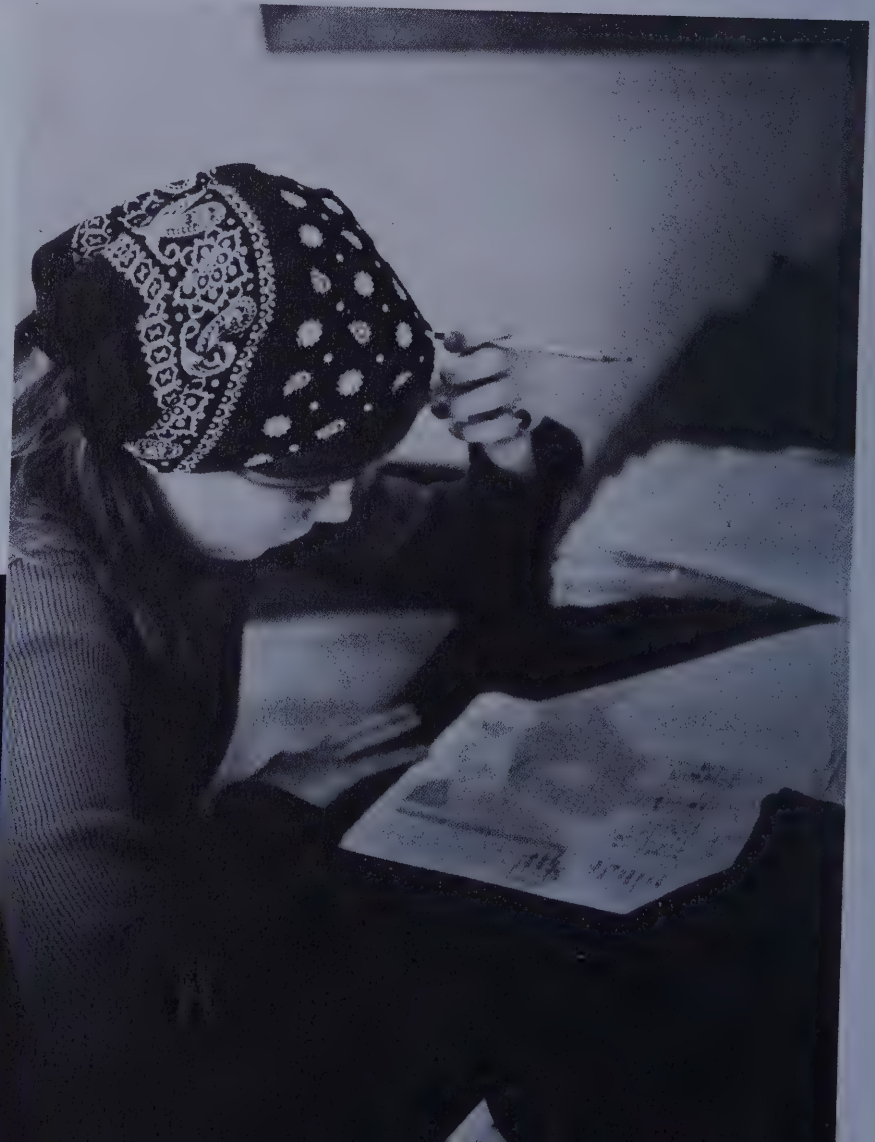

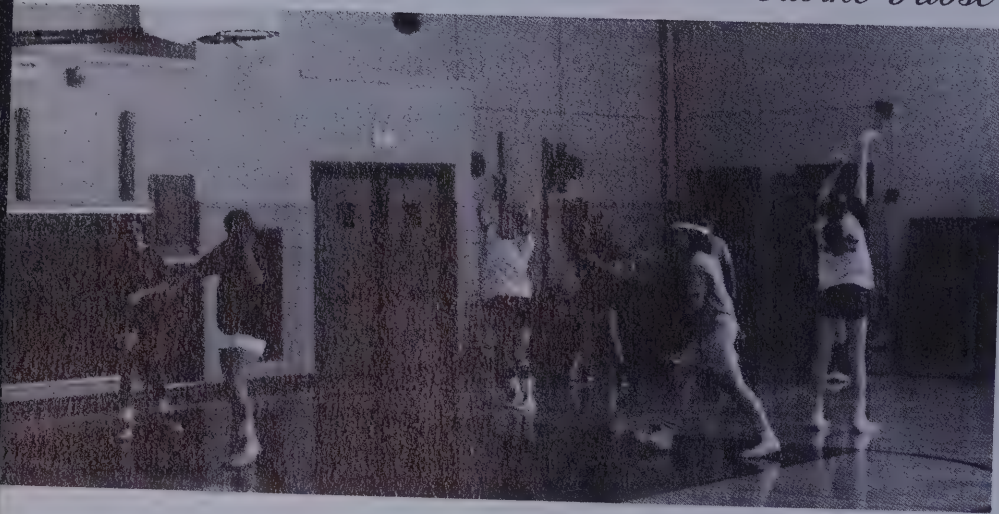

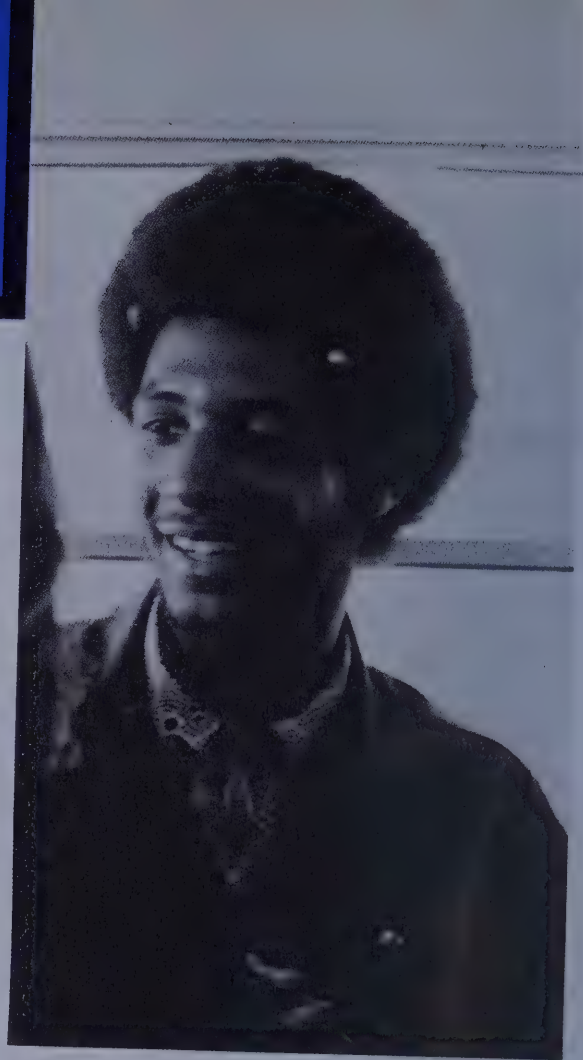

*Those
quiet,
sad,
bright
moments*

build yesterday, today, and tomorrow.

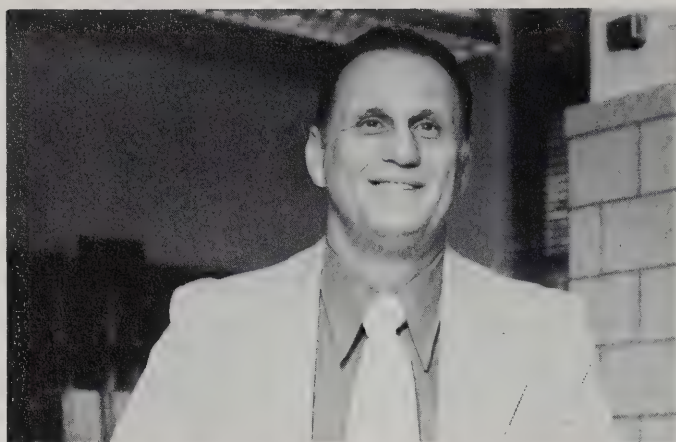

*I love the present most.
Doing, and visualizing it done;
Having a great experience now!*

Pom-Pom girls add spirit and color during the football season.

Pom-Poms Have New Routine To Show

What happens 6th period in room 217? Well, there are about 35 girls in there who are out to make Madison proud of them by working hard on new as well as old pom-pom routines. This year's squad now meets as a class under the direction of Mrs. Peterson. Not only has the squad performed at pre-games, but they also did a special routine during halftime at homecoming.

Some of the girls perform during the Miss Madison Pageant.

In the seven: Karen Vasta, Robin Wilkie, Leslie Murden, Susan Reda, Denise Ables. In the five: Cindy Craven, Carol Bradley, Julie Butler, Tina Bareilles, Chris Sinnott, Peggy Bowman, Milliecent Marion.

The Pom-Pom girls work hard to perfect their routines.

Fifteen of the girls went to camp this summer which put them off to a great start. The marching band wouldn't have been the same without the Pom-Pom girls marching with them at the Halloween Parade. The girls also gave a special performance at Tyson's Corner. Some participated in the Miss Madison Pageant as part of the evening's entertainment. At two of the football assemblies the squad showed some new routines. They appeared at nine basketball half-times and showed new routines. This year's officers are Tina Bareilles and Sue Reda (co-captains), Carol Bradley (sec.), and Denise Ables (treas.).

From tip of "J": Tammy Baker, Cris Fernandez, Sherry Cramer, Marylee Martin, Kim Murden, Cathy Fernandez, Una Somerville, DeeDee Giannettino, Sue Homan, Patty Payne, Carole Brumbaugh, Joanne Pollock, Alison Devito, Mary Dudek, Julie Moscattiello, Paula Andersen, Connie Moen, Jackie Lafever, Laura Shoner, Kathy Walsh, Jean Gercken, and Sherri Neas.

Expand Medical Interest

This year's Future Physicians Club is established to provide Madison students with the opportunity to expand their interests in the Medical profession.

Outside of weekly meetings, the Club's agenda includes guest speakers from various fields, guided tours through hospitals, and field trips. Many of the members also work closely with the Vienna Red Cross as volunteer victims.

From foreground to back. Liz Teichmann, Mary Moss, Mary Pomeroy, Sherrie Pyle, Diane Thorne, Jon Preble, Harold Boerlin, Diane Mayhew, Greg Schmidt, Ron Barsanti, Bob Kragie, Bob Bernard, Trich McMahon, Ray Schmidt, David Kaericher, Larry Bamford, Irene Wu.

Diverse Science Group

The Science Club is unique at Madison. Some of the major interests are Archaeology, Astronomy, Electronics, Biology, Mathematics, Ecology, geology, Computers, Meteorology, Oceanography, Satellites, Physics, Chemistry, Wildlife, and many more science related topics. The major goal of the club is to promote interest in science for the members of the club and the school. Exciting activities include field trips to surrounding areas of their choice.

Mr. Reitz and Pat discuss an interesting German article.

GERMAN CULTURE

The German Club is open to all students interested in German and the German-speaking countries. Our activities deal with the various aspects of culture in these countries. Members are making an effort to speak and read German at meetings. Various projects are also undertaken.

Left to right: David Kaericher, Bart Beck, Joe Corn, Lisa Marling, Mr. Reitz, Pat Hutchins, Debbie Marling, Barbara Bever, Paul Frank, Carol Keiser, Martha Wagar.

PERSONAL ART ENRICHMENT

The Art Club stands for service to the school as well as personal enrichment for the individual. Constructing our Homecoming float, featuring Pluto, was a great way to get to know fellow members. The annual Winter Art Show and Craft Sale offered the student body a chance to show and sell their original art creations. Planned Club outings included sketching visits to studios of local artists, and an ice cream party.

Homemaking Involvement

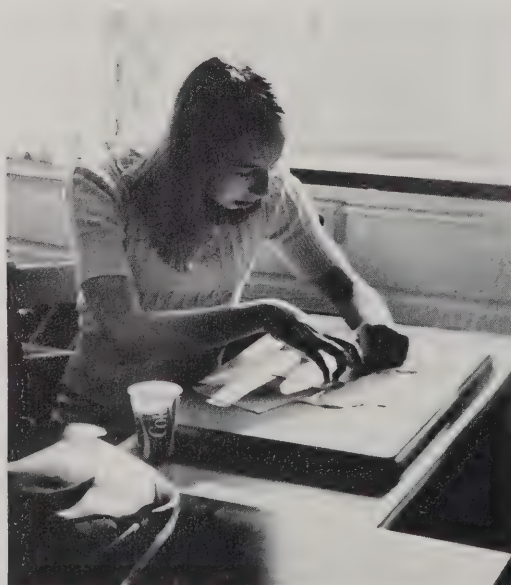

The Future Homemakers of America is a club open to all students who wish to further their interest in homemaking. Our emphasis this year was in community involvement. Special activities of the year included bettering family relationships. Visiting a nursing home and the home for retarded children during the year and at Christmas time were ways in which the club showed community involvement. School functions such as the Miss Madison Pageant and auctioning off a quilt made by club members were other activities.

Beautifully set table, with quiet music and soft candle light.

The girls are busying themselves by making a quilt, which they will auction off later in the year.

Specialist At Study

The Latin Club is Madison's specialist in the study of Ancient Rome. Besides more serious pursuits, the club takes time out now and then for parties, and celebrating "Roman Holidays!" We're not the biggest group in the school, concerning size, but it's more than enough to make up for it, in spirit and attitude.

FTA

In an effort to achieve an understanding of teaching, the Future Teachers of America Club has been involved in a student teaching program. Flint Hill and Louise Archer Elementary Schools have allowed club members to work with children of the grade school level twice a month. Several members aided in special programs for children with learning disabilities. The club tries to expose members to the trials, tribulations and treasurers of teaching.

Thespians Hold Kissing Marathon? Strange!

Along with the traditional plays and workshops, Thespians sponsored new and exciting activities this year. The Kissing Marathon raised money for the troupe to attend the Thespain State Conference, theatre groups, the Northern Virginia One-Act Play Festival, and general entertainment topped off a great year.

Spanish Club Raising Money And Emphasizing Spirit

Second Year of Existence, French Club Shriving For Goal!

Now, in its second year of existence, the French Club has a new sponsor — Mrs. Kendall. Although we plan to enjoy many repeated activities, some of this years' are: a float for homecoming, a trip to a French restaurant, an annual picnic, a bake sale and as an ultimate goal — a trip to Canada.

French Club float, Alice in Paris at Homecoming.

Spanish Club's Homecoming Float — It's A Small World.

The Spanish Club started out the year with another fab float in the Homecoming Activities on October 5, 1974. Although no awards were presented to the Club, the Float was deserving of honor. Later on in the year, the Club made paper flowers to sell to raise money for Children's Hospital. The members and officers went out together to dinner in early December. Also, they have made the officer's Banquet at the end of the year an Annual Activity. Pennants emphasizing school spirit were sold to raise money for various other Spanish Club activities, and parties were held throughout the year. Last, but not least, the Spanish Club challenged other J.M.H.S. clubs to the Number One Spanish Sport: Soccer.

Madison Club

The year the Madison Club participated in various projects. First they painted the Warhawk emblem by the boy's gym. The Madison Club has also raised money for charity.

Sitting: Joe Person, Jack Spicer, Steve Dagostino, Mike Boswell, Tony Holmes, Jeff Bates. Standing: Joe Corn, Jim Dickmeyer, Bret Leighty, Kenny Wisenburger, Jeff Houston, Gary LaFever, Doug Greenlaw, John Maguschak, Jim Green.

GAA Earns Membership

The Girls' Athletic Association is a service club. The members of the club have earned membership into the club by lettering in either a junior varsity or varsity sport. The members engage in various fund raising activities throughout the school year in order to earn money to purchase additional athletic equipment or team uniforms. The fund raising projects this year were selling Warhawk pins and Warhawk jerseys.

International Relations In U.N. Assemblies

The International Relations Club has two main purposes, 1) to increase understanding of international affairs and 2) develop public speaking skills. This is accomplished by participating in model U.N. assemblies. This year the International Relations Club has participated in both local and national United Nations Assemblies.

Business Leadership To Strengthen Confidence

Purpose of Future Business Leaders of America are to promote good business education for youth of Virginia, to develop competent, aggressive business leadership, to strengthen the confidence of young men and women in themselves and in their work, to create more interest and understanding in the intelligent choice of a business occupation and to encourage members to improve the home and community.

The Science Lab Assistants are valuable aids to the schools' science teachers. Labbies are responsible for setting up labs and performing other class related duties for the teachers, such as running errands, typing, and grading papers. They help the teachers receive gives them more time to conduct classes and gives the assistants experience working with teachers and the equipment necessary to conduct labs.

The Newcomers

The Newcomer's Committee is a group of people who's purpose is to organize help for new students at JMHS. Some of their projects are to make a student handbook and hang maps in the halls. They hope that next year, they will be able to organize immediately and be ready to help the new students.

Madisonettes

Madisonettes is a highly Laudable organization. It is a service club dedicated to community and school oriented activities. Among this years community activities were a can and clothing drive for the Vienna Committee to Help Others, Collecting for UNICEF, visiting hospitals, aiding in the Cancer Campaign and the Walk For Epilepsy.

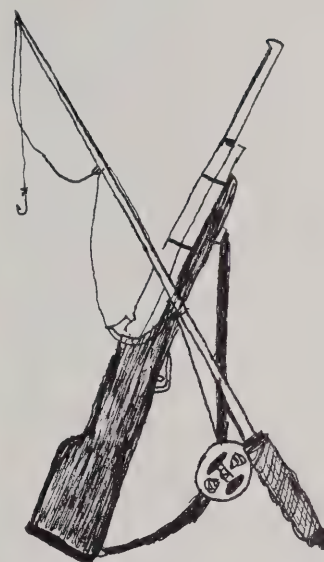

School activities included sponsoring a 50's dance, bake sales, car washes, making a homecoming feast, decorating a hall for Christmas, and generally promoting school spirit.

The Rod and Gun Club is made up of students and faculty members who are interested in activities and hobbies related to hunting and fishing. These include developing a better understanding of game and fisheries management, safety in handling firearms, improving skills related to hunting and fishery and hobbies such as fly-tying and rod-making.

KARATE CLUB — A NEW EXPERIMENT

A new experiment in physical education has taken place at Madison. Karate experts teach the basic moves for fat removal and criminal repulsion to beginners, white, yellow, green, and brown belts.

Pep Club

The Pep Club, in its third year as a school spirit club, had a very successful season. By sponsoring Victory Buses, having parties for various Varsity teams, sending out valentines, and making posters, they have shown their desire to support school activities. The Pep Club feels spirit has grown at Madison and greatly hopes that it will continue to do so.

The Society of Soul has been very active this year. Most of the members have participated in the JMHS Human Relations Committee. On Rev. Martin L. King Jr.'s birthday a member of the club presented a small program over the P.A. and decorated a bulletin board in his honor. On February 14th, several members of the club went to Woodson H.S. in Washington, D.C. for a student exchange program. The reason for the exchange was so that the students at Madison could experience going to school in the inner-city. The club plans to have dances before the end of the year. Mrs. Flynn, a new teacher here at James Madison, is the sponsor for the club. She has helped a great deal in keeping the group together.

Math Team

The Math team competed with other Fairfax County teams this year and made a very creditable showing considering the Madison has not fielded a team in four years. The competition involves solving problems requiring ingenuity and alertness as well as competence in mathematics. Next year the sponsor Mr. Shoner and Co-sponsor Mrs. Thornton plan to expand the team to include other interests in Mathematics and to form a Math Club with a regular program and speakers.

The chess section of the JMHS Strategy Club was formed by students desiring to better their chess games and to compete with other players. The Chess Club maintained a ladder system where students can compare their strength with that of other players. The Chess Club also sent representatives to some of the area's chess tournaments. The members participated in the Washington-Baltimore Area High School Championships and placed sixth. They also went to the January Scholastics Tournament and took first.

Bible Club Shows The Key To Life

You may be thinking that because we call ourselves the Bible Club, that all we do is sit around and soberly study the bible. Not so, we think we've got the best club in the school, and if you wonder why, just come and find out next year. We study a book that is the all time best seller, and holds the key to Life. We sing, we talk, and we share our faith in the man that makes it all possible, Jesus Christ!

Getting Together To Sing A Song.

Pres. Sue Burkhalter; V.P., Keith Naquin; Sec./Treas., Toni Prencipe.

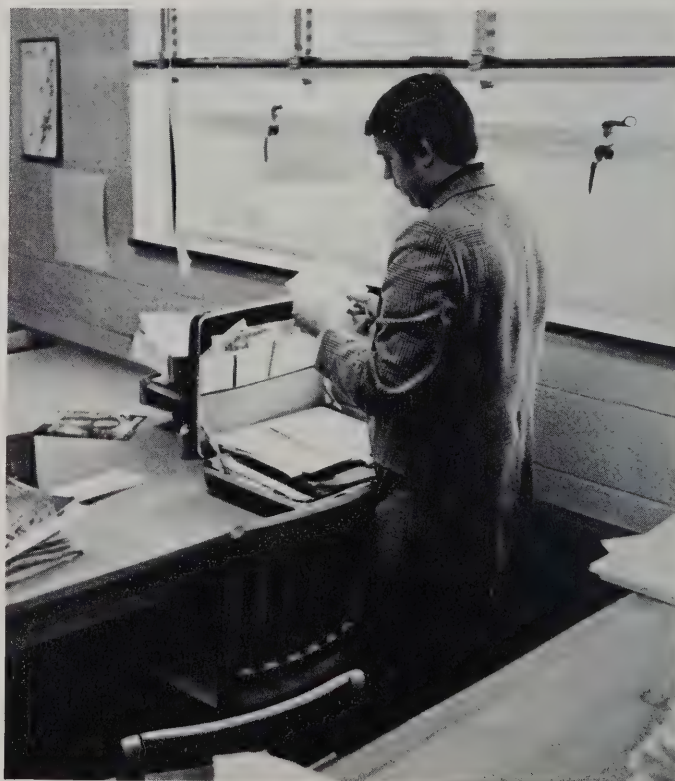

This year the Student Gov't of JMHS has changed and become more involved than ever before. It is coordinator for Student Activities, and will help in the planning and execution of anything that any other club plans. The SGA has sponsored Homecoming and the Homecoming Dance, The Battle of the Bands, a concert by First Gear, Cans for Christmas and, in part, The Christmas Cotillion. With Mr. Cacciapaglia as it's sponsor, the SGA is made up of Pres., Sue Burkhalter; V.P., Keith Naquin; and Sec.-Treas., Toni Prencipe. The SGA cabinet is made up of class officers and any interested students.

Debate Team

The Debate program aims at battle training students in the art and methods of debate and engaging in competitive interscholastic debate. It is open to all grade levels and abilities although the research and preparation is time consuming and sometimes complex. Madison competes in Washington Forensic League, Virginia High School League and in major invitational debate tournaments.

Heritage

Published bi-annually, *Heritage*, Madison's literary magazine, represents a collection of the creative talents within the school in the fall calendar and in the spring magazine. The staff strives to choose material which reflects not only literary and artistic quality but also the interests of the student body.

NHS Scholastic Achievement

This year the National Honor Society has an active tutoring program involving many of its 150 members. A candlelight induction was held in December at which 90 students became members. The Honor Society is now larger than it has ever been at Madison, reflecting a nationwide trend towards academic interest. Both outstanding participation and leadership in extra-curricular activities is a pre-requisite for membership. Applications are open to juniors and seniors at the end of each semester.

Publication Achievement

The Quill and Scroll is an honorary club for students involved with publications. The yearbook, magazine, and newspaper sponsors nominate a few members from each staff who have done outstanding work and contributed a great deal of their time and effort. The sponsor of this group is Miss Seymore and Sabine Klose is the chairman.

Hawk Talk

Though Hawk Talk has changed format several times during its years of publication, its goal to enhance communication within James Madison and between school and community remains the same. Publishing this monthly paper provides opportunity for interested students to participate in journalism on a semi-professional level. Kris Organ, '76, and Cindy Scarberry, '75, edited first semester's issues with Kris continuing as editor for the second semester.

The American Field Service club is designed to promote a clearer understanding of different cultures through the Foreign Exchange Students and Americans Abroad programs. The club's activities have included the International Dinner, an exchange with students from Massachusetts and various fund raising activities. This year Madison is sponsoring two foreign exchange students, Lucy Gamboa from Columbia, and Derek Adami from South Africa.

This year Madison's Concert Choir and Madrigal Singers continue to carry on the grand tradition of musical excellence set years ago under the direction of Robert Shafer. Early in the year, the girls of the Choir sang the Monteverdi Vespers. Christmas time, the Choir and Madrigals presented at the Kennedy Center, works by Shvets, Monteverdi, Victoria, Britten, and Director Shafer. Later in the year, a new pinnacle was reached when the Choir performed, again at the Kennedy Center, works by Aaron Copland as part of the official Bicentennial opening. These works were conducted by the composer, with the National Symphony Orchestra, and is considered a landmark in American Music Education.

Some would sing and sing until their throats dry up, while others just stick around to mess up the music sheets.

Majorettes — Variety of Talents

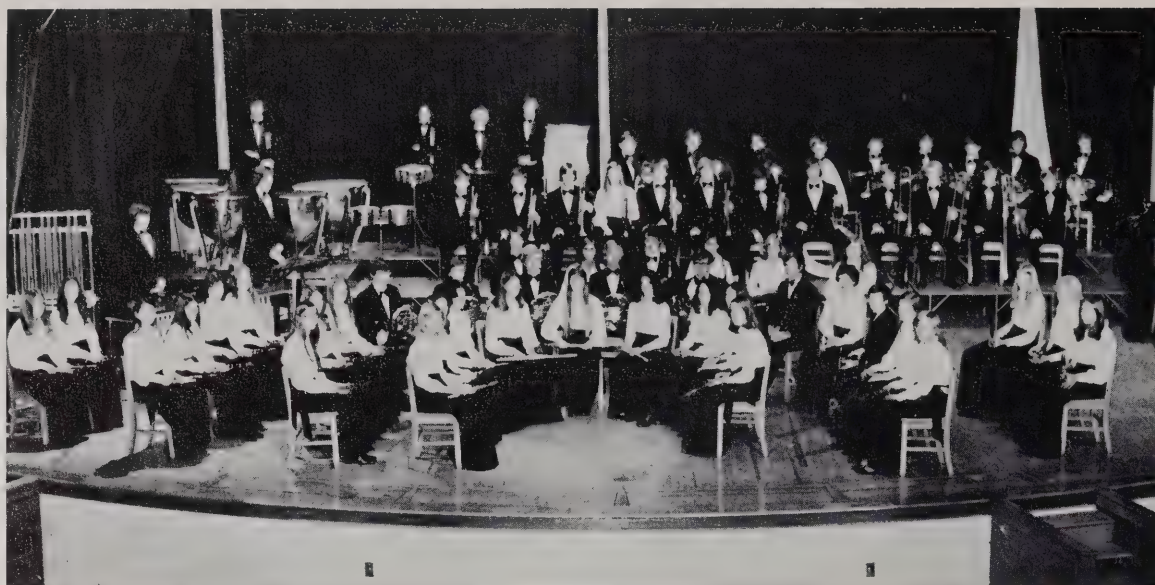

Madison's seven Majorettes have really done a great job this year, adding sparkle and variety to the football half-time shows as well as participating with the band in area and state-wide competitions. They have also performed at basketball games and pep rallies. Their practices began before school started when they attended the summer band camp. During football season, they practiced one period daily during school and four days a week after school. Their routines displayed a variety of talents, including fire baton and dance twirl. These girls deserve a great deal of credit for all their hard work.

Bands

The Band opened their '74-'75 school year with a week of extensive training in preparation for the forthcoming party year. Due to the halftime experience in football, the JMHS James Madison Warhawk Marching Band put on a clashing performance at Robinson Spectacular. With great enthusiasm, the Band hosted the VBODA competition. As usual, the Band received an excellent rating. All the long, tedious, hours spent drilling on the hot and dusty marching field prepared the Band for the Virginia Beach National Band Festival. All in all, the Band proved that They are Number One!

Band

Madison has two stage bands. The JM Jazz Lab is part of the curriculum and meets fourth period every day. For all those musicians who could not sign up for fourth period, a second band was established. The JM Stage Band meets after school and participates along with the Jazz Lab in Stage Band competitions. The Bands went to the Regional Jazz Festival, held at Yorktown on February 15, 1975, where both recieved a rating of *Excellent*.

Orchestra

From auditions in August to final concerts in May, the 58 members of the Madison Symphony Orchestra and Sinfonietta kept very busy improving their skill on their instruments and learning new music for each event. The first appearance was in the Pit for the Miss Madison Beauty Pageant in October followed closely by a November concert in the Vienna Community Center and a December concert for the SPTA in Madison Auditorium. Individual members also were selected by audition to participate in the Junior and Senior Regional Orchestras of Northern Virginia during November. January was full with a concert for the "Over 50 Club" in the Community Center and a Concerto Concert at Madison featuring the best instrumental soloists playing with the Sinfonietta and Symphony. March was Orchestra Festival month at T.C. Williams with the Madison Symphony entering in the top grade (VI) for the first time. April was Solo and Ensembl Festival at Thoreau and All-All Virginia Orchestra in Roanoke for some. The Spring Symphony Concerts and a pop concert by the Madison Strings closed the season and the school year. This was the fourth year Madison has had an orchestra and this orchestra was the best yet!

Success

This year's Montpelier staff worked hard in making the yearbook a success. New ideas contributed by new members and perfected by the old help in giving you a completely new design. The deadlines pictures, and ideas came regularly and each time the yearbook began taking more form. With thanks to Mr. Shaffer, our sponsor and the entire staff, the editors hope you enjoy the 1975 yearbook.

Registration

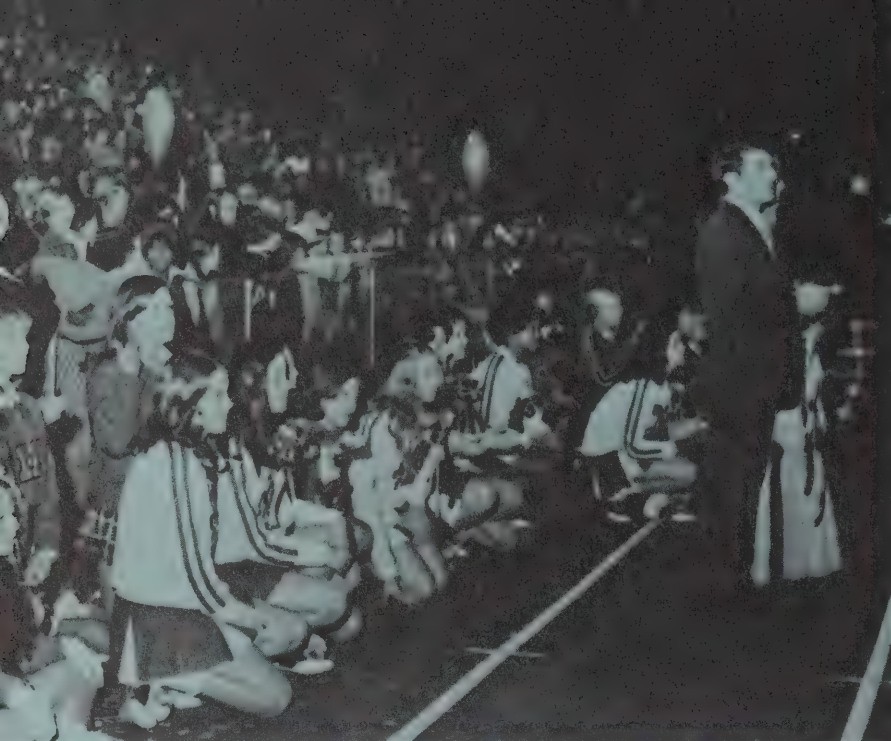

Confusion reigned on September 3 as Madison students arranged their own class schedules for the first time. Prior to the beginning of school, each student had pre-registered for the subjects they were to take and then on the first day of school students picked the teacher and class period for each of their subjects. This new method of scheduling met with mixed emotions. Some were glad to have the freedom of choice, others were bothered by the inconvenience of long lines and confusion. Also included in opening day activities were health screening and the taking of underclass pictures.

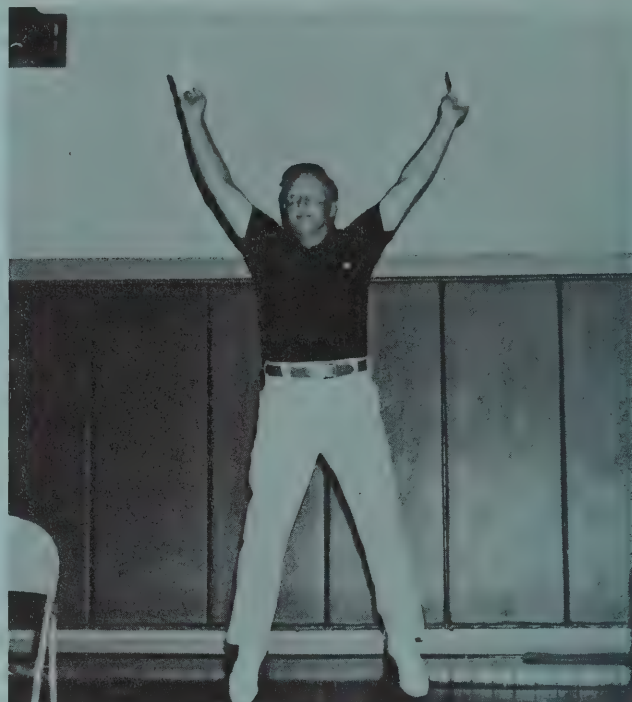

Top: Guidance counselors man one of the more popular stations for students with scheduling problems.
 Middle: Desperate to get their preferred choices, students rush from one department to another.
 Bottom: The final objective — The check-out line!

The crowning of Toni Prencipe as 1974 Homecoming Queen was the climax to an evening of Walt Disney. Toni's court of princesses consisted of: Freshman, Julie McGuire; Sophomore, Judy Christie; Junior, Diane

Homecoming Floats Would Have Made Walt Disney Proud

The Band keeps thumpin'.

"Es un mundo pequeno!"

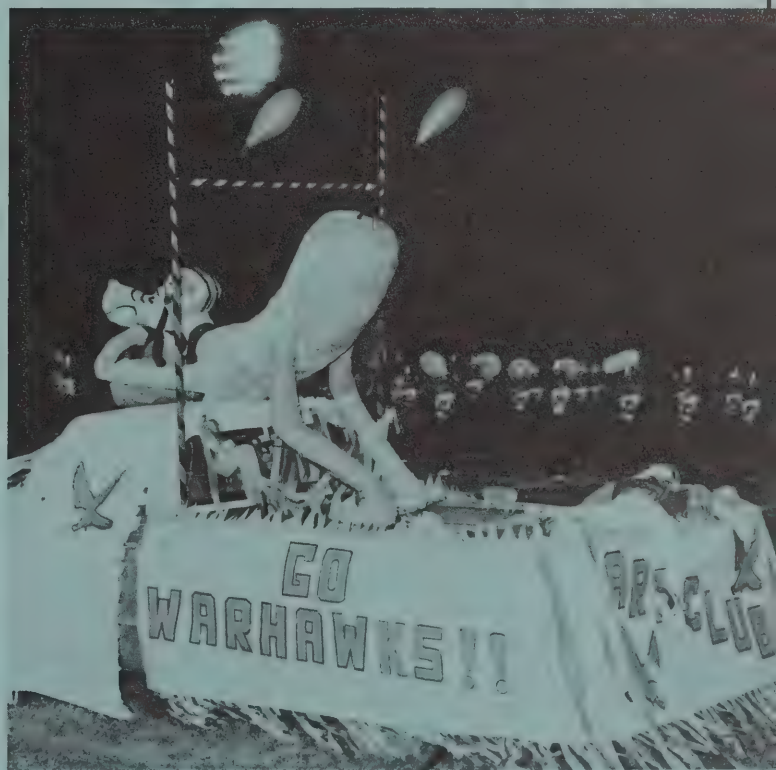

The Homecoming float competition was won, this year, by the Senior class and the Band. Despite the short time available for construction, hard work and determination was revealed through all of the finished floats. Each float did justice to the characters it displayed and if Walt Disney were alive today he would have been proud of our 1974 Homecoming floats.

Show 'em the end, Warhawks!

Homecoming Dance 1974

This year's Homecoming Dance was a huge success, enjoyed by students and teachers alike. The dance was held on Saturday night, October 5, at 8:00 P.M., topping off the weekend's activities. Carderock, a popular local band, played for the occasion.

It's Academic

In Madison's fourteenth year on "It's Academic" our hopes were high. There were simply too many talented people, but the team was finally set at seniors Patti Pippin, Paul Frank, Mark High, and Chris Webb; juniors Pat and Mike Hutchins; sophomore Glen Perkins. Even then the decision remained to be made: which three would go on camera when the moment came? September passed in hard work, competition, and mounting enthusiasm. On the 28th, Patti, Mark, and Mike sat down under the hot WRC lights while the rest of us gripped the arms of our chairs. We held our breath as they finished the first round without a miss, we cheered as they answered nine questions in a row in the second round — and then the bubble burst. When it was all over — but it wasn't all over. It never is. Because next year, *next* year with all the talent we have to draw on . . .

An excited crowd cheers on our "It's Academic" team.

Mr. Browning and the other coaches.

The Fourth Annual Miss Madison Pageant

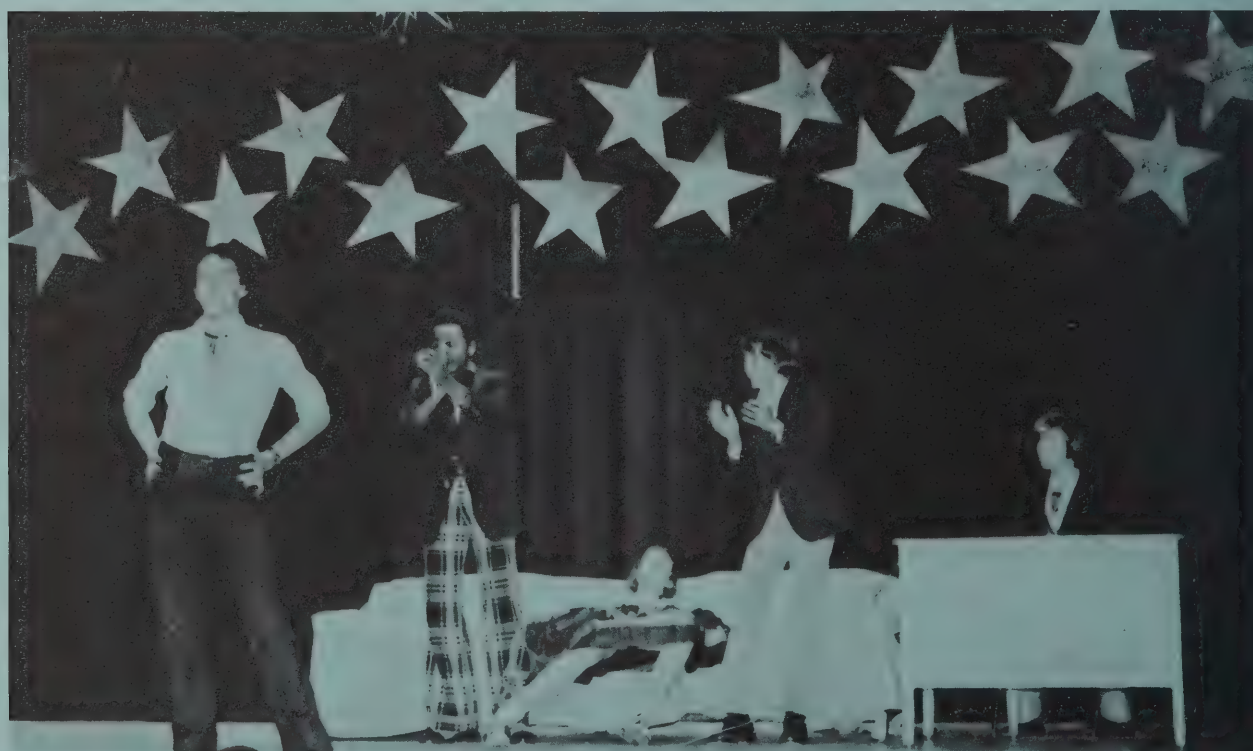

On Saturday, October 26, Toni Prencipe was chosen to be the fourth Miss Madison. This year's pageant was sponsored by the FHA. The evening's hosts were our own SGA President Sue Burkhalter and Vice President Keith Naquin. Special guests were last year's First Runner-Up Jackie Harris, along with two Madison graduates, Miss Metro and Miss D.C. World. The runners-up in this year's pageant were Jackie Fox, Laura Shoner, Diane Wever and Chris Childs.

The intensity of the evening was broken by Mrs. Nateman's Drama II class performing skits and impersonations, and excellent musical accompaniment by the orchestra, both highlighting the night's festivities.

Science Club Field Trip

This year the Science Club enjoyed an overnight trip to the home of Mr. Kline, one of the club's sponsors, in Front Royal, Va. The purpose of the excursion was to view a meteorite shower, but unfortunately it was a cloudy night and the shower could not be seen clearly. The trip was not a total loss, for, with the aid of high powered telescopes, Jupiter could be seen clearly from Mr. Kline's backyard.

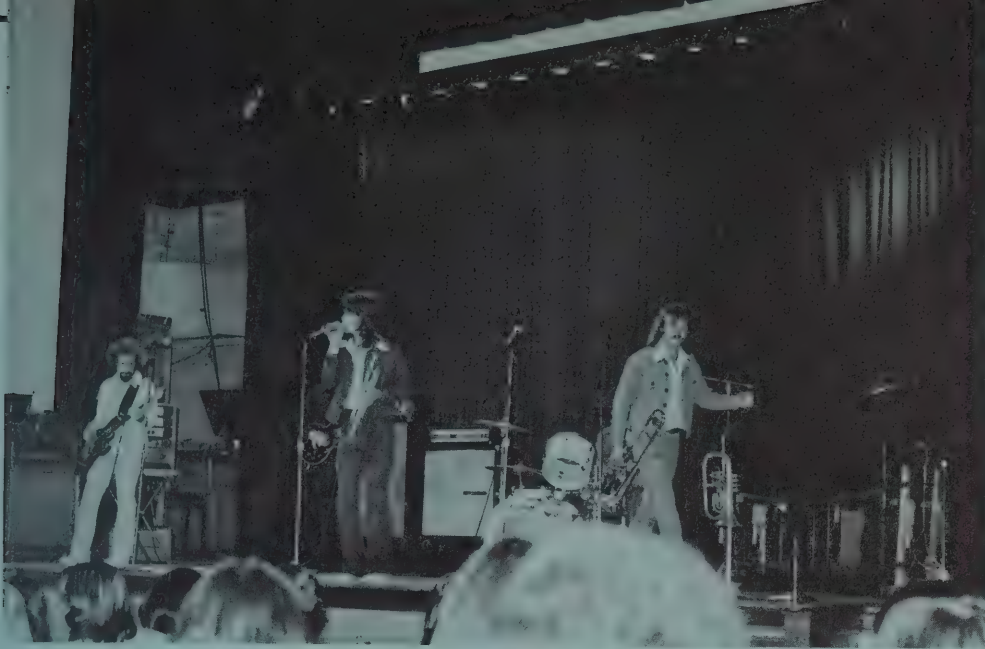

Strange things happen to the stars at night!

First Gear Comes To Madison

First Gear, a group from Florida which tours the country giving concerts at schools, came to Madison and gave a thrilling display of their many talents. They held a preview of their performance during school Thursday and a concert on Saturday night. Highlights included: a Twist contest; a skit, starring Coach McLean, enacting the song, "I Shot The Sheriff", and many popular songs.

First Gear entertains the students.

Somebody shot the Coach.

Leonard Polk helps the show along.

First Gear jumps with joy at the thought of being at Madison.

Presenting:

The Diary of Anne Frank was the first major Drama production of the school year, with an outstanding cast of some of Madison's finest talents. The play opened on November 21 and received standing ovations at each of the three performances. Mrs. Nateman, the Drama coach, has directed Anne Frank once before on Madison's stage and portrayed Mrs. Frank on the stage during her college career. Mrs. Nateman's Drama I classes spent their class time prior to the performances building the spectacular set. Both cast and crew did an outstanding job in presenting this play. Congratulations to everyone involved, and many thanks to the play's patrons.

Mr. Frank and daughter Anne take time off from lessons to refresh themselves in the art of dancing.

As the Nazi Police are thought to be coming, Mrs. Van Daan pleads to her husband for their valuables to be hidden.

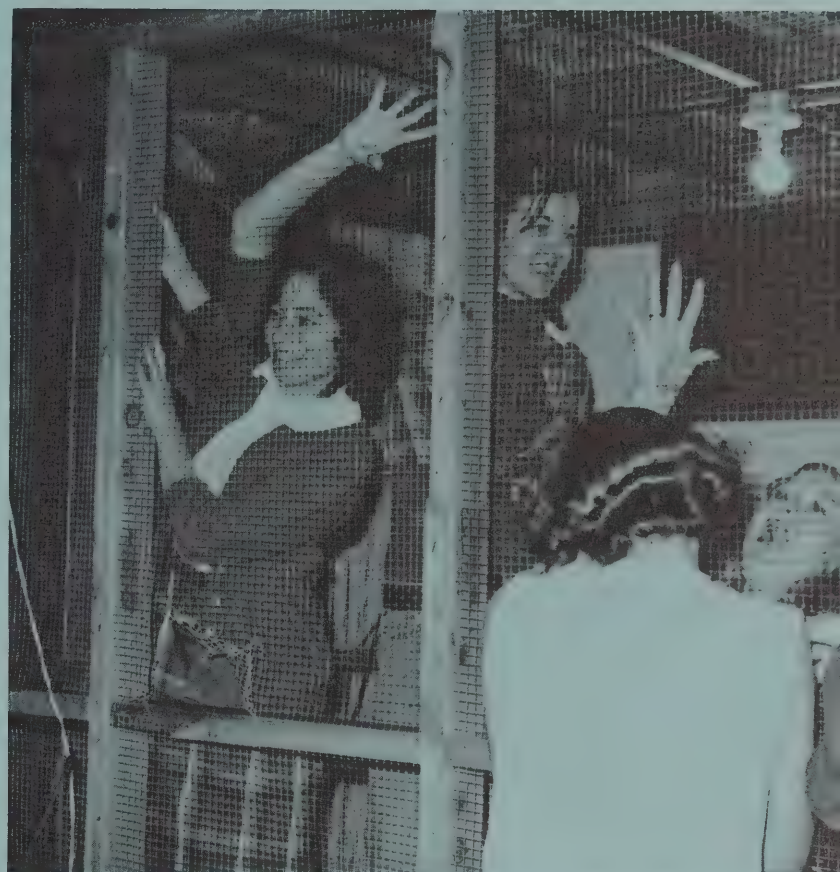

Anne takes a break from the monotony of living in hiding.

Mrs. Van Daan shows her gratitude towards Mr. Frank much to the dismay of Mrs. Frank.

Linda Austin, Stage Manager; Jodi Gough, Technical Director; and Sydney Rose, Student Director, gain the recognition they deserve by posing for the photographer.

During the play, you can do almost anything backstage if you're quiet, but Lacey Bowcock makes a noise and is quickly quieted by Ada Degoyler.

Christmas Comes But Once A Year

The week before Christmas vacation was filled with expectation and activity. As in past years, homerooms decorated doors while classes and clubs decorated whole hallways. The Senior Class dominated the week's activities by winning the Hall Decoration contest and sponsoring a Christmas Cotillion on Saturday night. Other events included the annual Cans for Christmas drive, won by Decca, and concerts given by the Band and Choral Departments.

Sophomore Class Sponsors Madison Follies

The First Annual Madison Follies, sponsored by the Sophomore Class, was presented on January 31. The talent laden evening filled the void left by the cancellation of the yearly musical. Faculty advisors, Ms. Flynn and Ms. Pounder; Director, Jonathon Boyd and his assistants, Dana Ballhurst and Trish Scott, held auditions two weeks in advance and, from the many acts that tried out, chose fifteen to appear on stage. Session took third place in competition with a splendid rendition of the '40's song, "Blues in the Night";

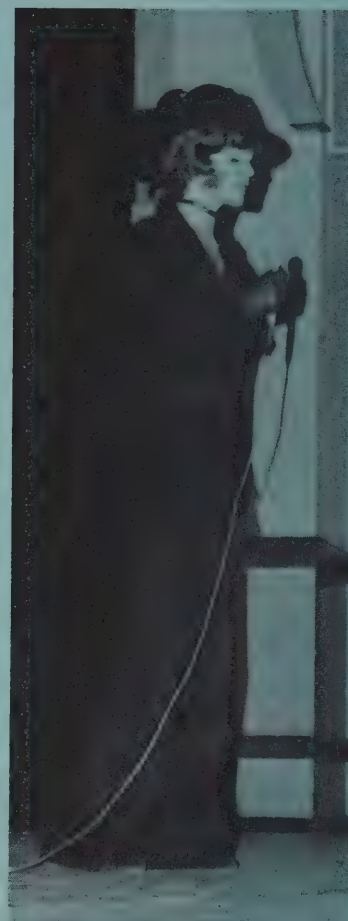

Elmo, performing "March of Elmo" written by Mark Moore, won second place; and Meg Langford stole the show with a reading from the play, "Rosencrantz and Guildenstern are Dead".

Spring Play Provides Romance, Fantasy, and Humor

A Midsummer Night's Dream is a fantasy by William Shakespeare dealing with the trials and tribulations of Athenian lovers and the world of fairies. A series of mishaps involving the lovers and a magical plant form the basis of this delightful comedy. The many long hours which the directors and cast spent on interpretation and rehearsals paid off in well deserved standing ovations at each performance. For the cast and crew of this production, *A Midsummer Night's Dream* presented a creative challenge; a challenge which was admirably met by all connected with the play.

Jay Butler transformed into a fairy king.

The Times They Are A Changin'

Every school year is full of changes and this year proved no different. Beginning with the new college-type registration in September, several changes occurred throughout the year. Many of these were meant to create a more unified student body. For example, the Newcomers Club was formed to introduce new people to the school, and the Human Relations Committee was established to better racial relations. In contrast to the past few years, many successful dances were held which helped ease tensions, and the addition of painters' hats at the basketball games helped to create school spirit.

For looking towards the future, the Career Center was set up to give guidance in decision making. Construction of a new vocational cosmetology lab was started to give more students the opportunity to explore this field.

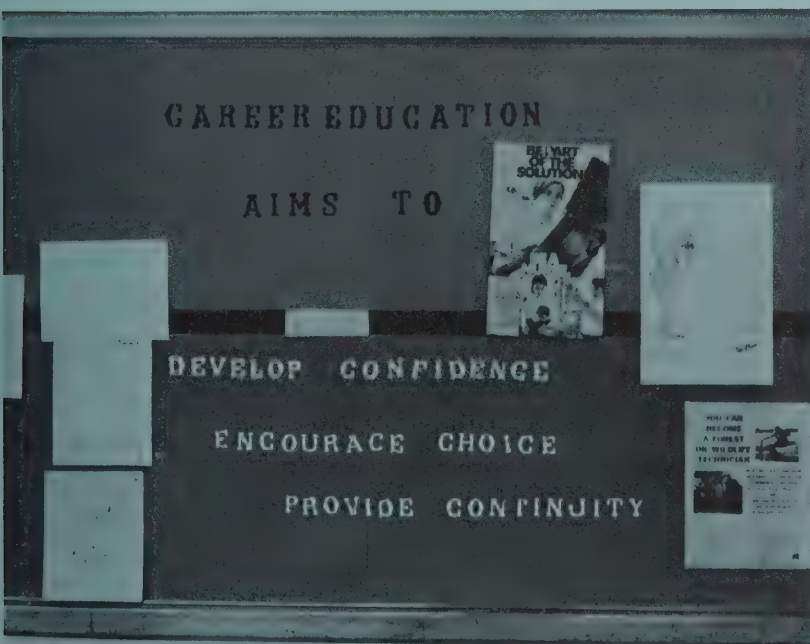

In keeping with these inflationary times, the lunch price was raised to 55c. Other prices were similarly raised such as: cokes in the coke machine, field lights, class rings, caps & gowns, milk, gasoline, etc. However, as you might have noticed, the price of the yearbooks did not go up.

At the sock-hop after an exciting basketball game, kids display their new found spirit and a new found dance, "the Bump."

The Career Education room contains instructive pamphlets, college catalogs, and military and vocational information to help students plan for the future.

Completion of the new vocational wing is eagerly awaited by many students.

Places to Eat . . . The nearby convenience of Pizza Hut encouraged students to drop by after games.

McDonald's often offered an alternative to the school cafeteria.

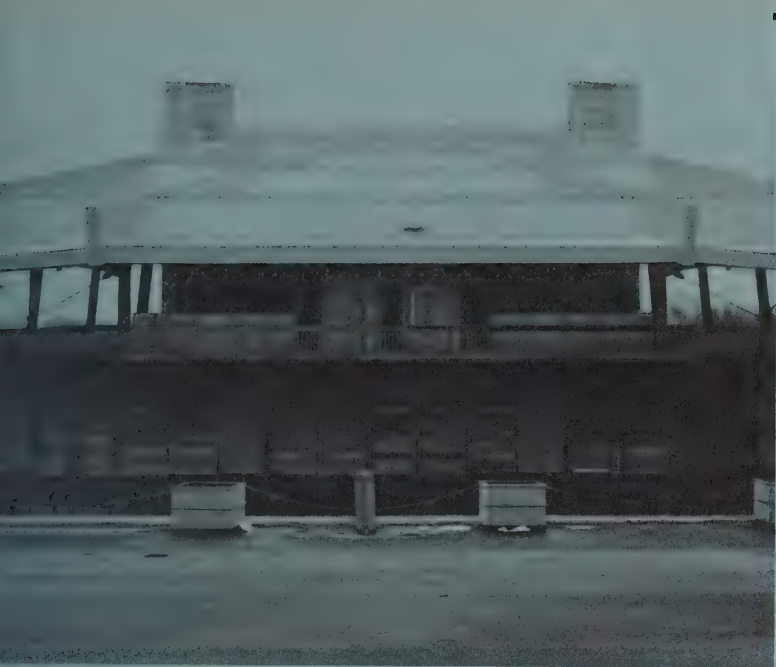

Many sunny days were spent

Tyson's Corner was a great place for spending paychecks.

Friday nights revolved around Shakey's (if you could get in).

For a quiet walk in the woods, Wolftrap Farm Park was the perfect place.

. . . Places to Go

enjoying Great Falls Park.

One could always rely on Conrads for ice cream or sandwiches.

For birthdays and celebrations, Farrell's was the fun place.

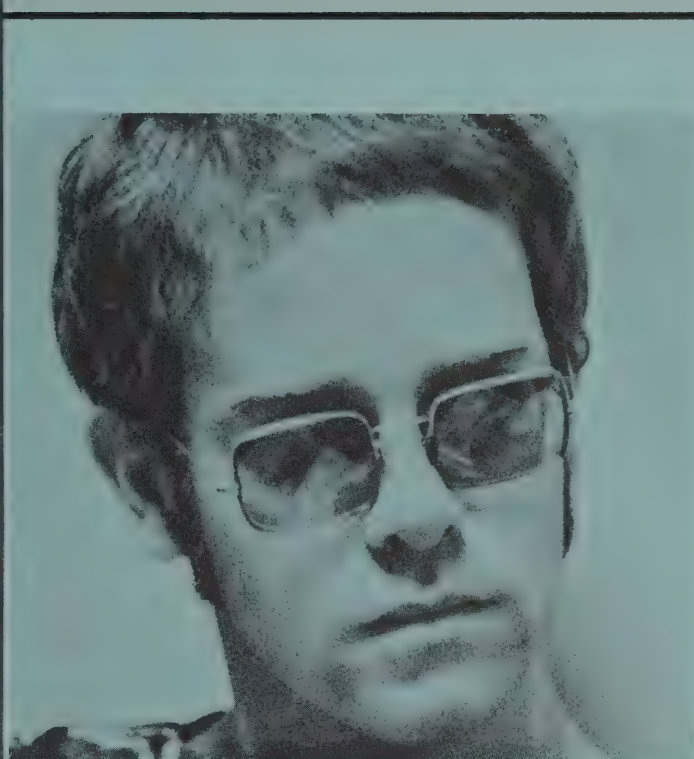

Tyson's Ice Rink was a favorite for dates or groups.

Something strange is happening
in the town of Stepford,
where the men spend their nights doing something secret,
and every woman awakes like every man's dream of the
"perfect" wife.
Where a young woman watches the
man become a nightmare
and sees the nightmare engulf her best friend
and realizes that any moment, any second—
her turn is coming.

THE STEPFORD WIVES

The present is now,
and the future is —
Wait!
That line about the present —
Remember:
It's Past.
And the rest of this verse
stretching out
ahead is in
the Future.
But you —
are reading it
now
and now . . .

And High School?
It's here, now.

For all the 'nows'
in the years of our future
High School
will be with us.

We may, or may not
like it.
We may, or may not
admit it.
But it's here.
It will be here
as long as we —
one of us —
is still here,
in the future.
It will remain
in, and with
each one of us.

In Memory of Mike Pfeifle

This is not the ending but fulfillment of the years before
This is where I look at what's beyond
Lookin at the time ahead
Lookin where my time has lead
Now's the time to think of goin on
Goin on to where the grass is green
Goin onto where the waters shine
Goin on to where a new world waits for me.
Memories will fade and yet all my dreams I won't forget
Got to keep them with me when I'm gone
For every door closing now a hundred others open wide
Got to find a place where I belong
All the years become today/tomorrow is a world away
A world as green and shining as the sea
I'm gonna give it all the love I know
Give it love and help it grow
Give it everything I hope to be
Goin on, Goin on, Goin on

Some must leave
And some be left behind
To survive
And to carry on with the day-to-day decisions
To dream those hopeful dreams alone
To build and carry out those future plans
That were made so very carefully
To brave the darkness
With heads held high
And to keep their hearts in waiting
For that someone to guide them
On their weary way
But most of all, to remember

SPORTS

FALL SPORTS:

Hockey & Tennis

The Girl's Varsity Hockey Team had a disappointing season this year. Even though the team had several returning lettermen, most of the squad was new to the sport. In spite of the great spirit, effort, and determination of the girls, the season started off slow due to inexperience. Soon though, the many hours of practicing and drilling paid off, and

there was a noticable improvement in everyone's skills during the last few closely contested games. The team could have had a much better record with the help of a few breaks. With several returning juniors and seniors, Mrs. Birch, the coach, is looking forward to a highly successful season next year.

Captains Debbie Berg and Bobbi Fiedler discuss game plans with coach Mrs. Birch.

Laura Riley, Denise Hall, and Gay Trumbull warm up before the game.

Suzanne Cox waits for the ball.

Row 1: Margaret Ryan, Terri Beeson, Suzanne Cox, Laura Riley, Denise Hall; Row 2: Jean Bavender, Kim Joyner, Sally Wheeler, Bobbi Fiedler, Debbie Berg; Row 3: Marcella Shrader, Elise Ruff, Kendi Thomas, Kathy Paynter, Gay Trumbull, Laura Sullivan, Amy McMillion, and Sue Weisenberger.

J.V. HOCKEY

Row 1: Linda Belk, Rosemary Skillin, Linda Lee, Susan Hall, Allison Graves; Row 2: Bonnie Lee, Nancy Oravetz, Karen Yeeles, Mary Mitchell, Jennifer Riley; Row 3: Theresa DeConcilis, Karen Washam, Regina Tessitore, Lori Stahlman, and Jackie Sobieski.

The Junior Varsity's record does not show the hard work and determination that the girls put forth throughout the season. Under the coaching of Mrs. Hackett, the girls played hard and put much spirit and team work into their games. Although the team primarily consisted of underclassmen who had never experienced interscholastic competition, the girls caught on quickly and soon began playing smoothly as a team. This year's vastly developed talents will greatly aid in producing a winning season next year.

Nancy Delaney, manager, Mary Mitchell, captain, Mrs. Hackett, Coach, Linda Lee, captain, and Jeanette Lumsden, manager.

The J.V. squad shows their enthusiasm before the game.

First Row: Donna Nensel, Sue Phillips, Robin Donahue, Kim Poulton, Laura Hess, Holly Stephens, Laura Clark; Second Row: Karen Sobieski, Cindy Roberts, Peggy Anderson, Debbie Lee, Debbie Nakis, Marie Gradel, Jane Mundt, Rhondi Adair, and Marion Padgett.

The girls' Varsity Tennis Team, coached by Ms. Marsha Bader, had a terrific season this year with a record of 6 wins and 3 losses which placed them second in the district. Two singles, Jane Mundt and Marion Padgett, and two doubles teams consisting of Holly Stephens/Laura Hess and Rhondi Adair/Marie Gradel qualified for district play. Jane Mundt, Rhondi Adair and Marie Gradel further qualified for Regional play. With many returning players, the team is looking forward to an even more successful season next year.

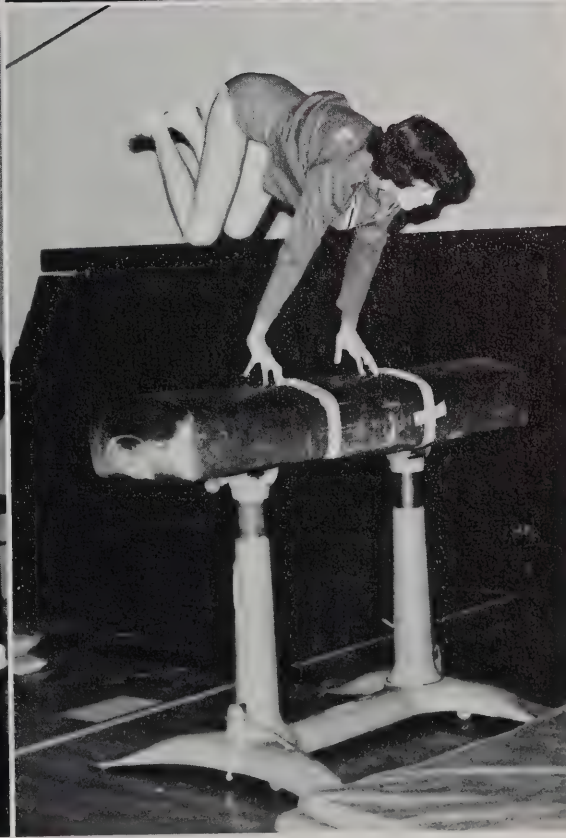

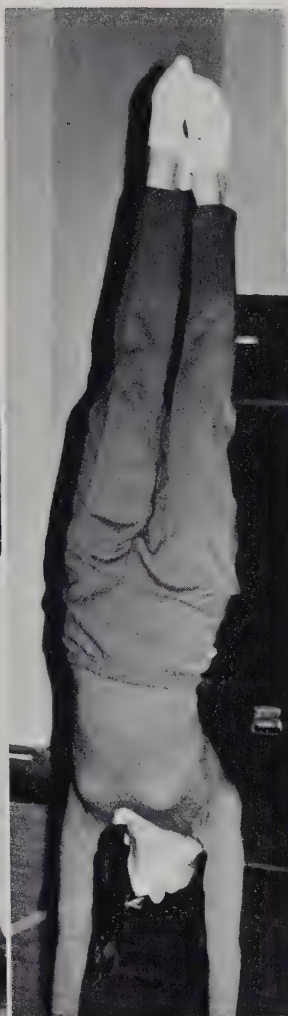

Captains Robin Donahue and Sue Phillips with coach Miss Bader.

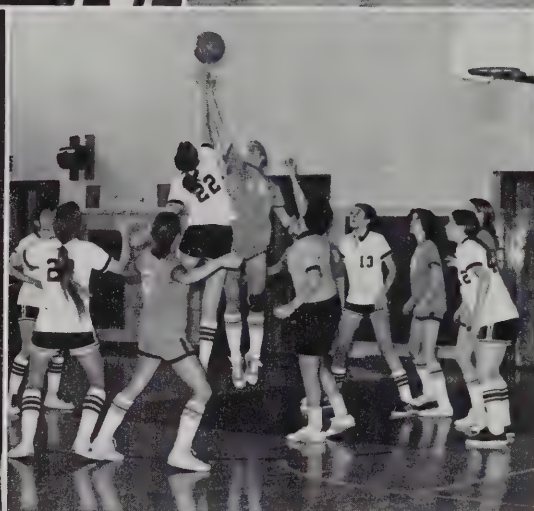

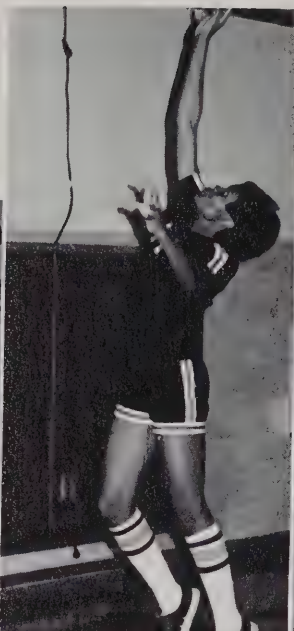

Holly Stephens shows great form as she executes a powerful serve.

Winter Sports: Gymnastics . . .

. . . And Basketball

The girls' Varsity Gymnastics Team faced a tough schedule and did very well. The girls' superb flexibility, amplitude, grace, spirit, and the coaching, helped them win five meets out of the eight. The talented team consists of one senior and junior, nine sophomores, and three freshmen. The team will continue to be strong for quite awhile. The coach, Mrs. White, along with the girls, is anxiously awaiting the district meet which is followed by the regional and state meets. The girls will without a doubt, do well; especially Valarie Amyx who competes in all four divisions — bars, beam, floorex, and vaulting.

Sitting: Michelle Amyx, Patty Anzilloti, Pixie Strike. Next Row: Allison Moss, Captain Adeline McLoed, Pam Brown, Terry Akers, Valarie Amyx. Last Row: Manager Susan Hall, Laura Garcia, Denise Hall, Coach Mrs. White, Co-captain Susan High, Patty Huhn, and Manager Cindy Williams.

Adeline McLoed executes a back flip beam dismount.

Valarie Amyx warms up by doing a front hip circle wrap.

The Girls' Varsity Basketball Team finished their regular seasonal play with a record of 11-1. Seeded first in the Great Falls District Tournament, the girls lost to a very tough Yorktown team. Stressing team "B-Ball" and sportsmanship, Coach Miss Dean, has done an excellent job every year in molding her varsity squad into top contenders in the district.

Varsity Squad — Back Row: Manager Janis Bush, Barbara Berg, Debbie Berg, Jan McGee, Amy McMillion; 2nd row: manager Nanacy Symms, Mary Kelly, Peggy Anderson, Rhondi Adiar, Diane Heim, Martha Greer, manager Barbara Radziewicz, Miss Dean; Kneeling: CO-Captains Margaret Lampman and Linda Walther.

Jan McGee stretches high to gain possession of the rebound.

Margaret Lampman easily out jumps her Marshall opponent.

Miss Dean discusses strategy with the team during a time out.

J.V. BASKETBALL

J.V. Squad — kneeling: Jane Miller, Lori Pond, Joan Walden, Donna Seliquinni, Row 2: Lisa Kliener, Kim Del, Gina Belk, Linda Lee, Susie Sinnot; Row 3: Sue Tomlinson, Debbie Ridgel, Laura Heim, Nancy Orvetz, Kathy Jadick.

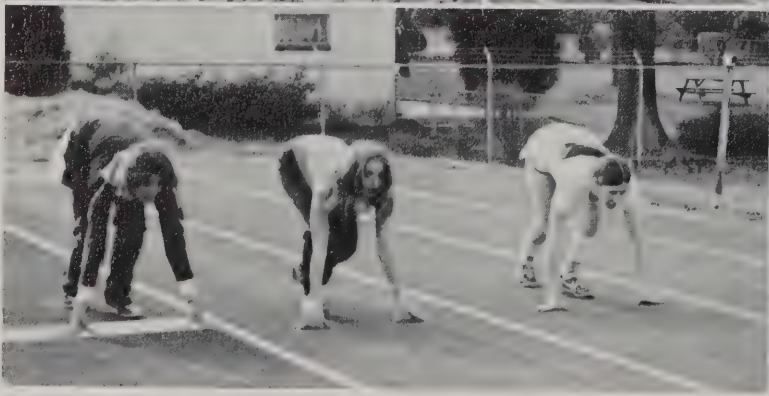

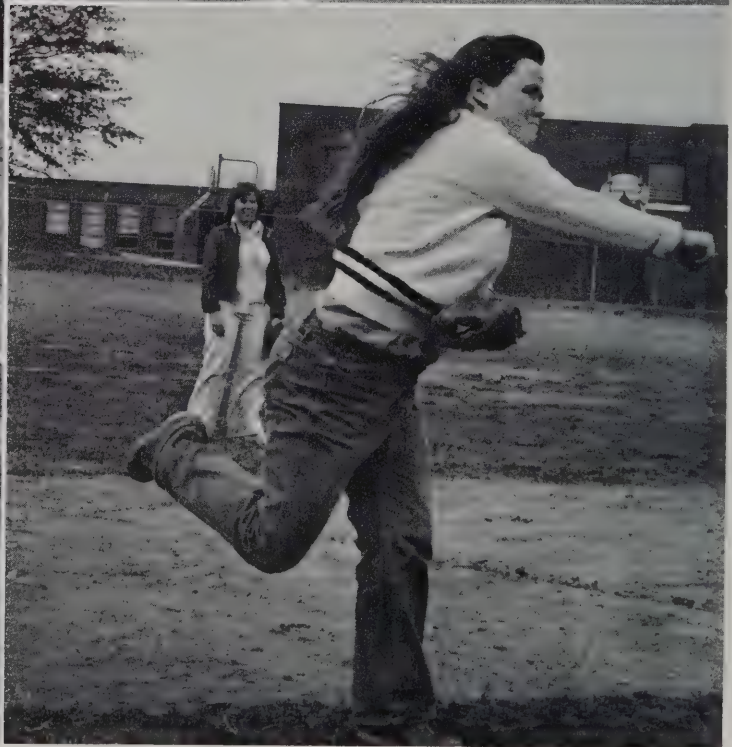

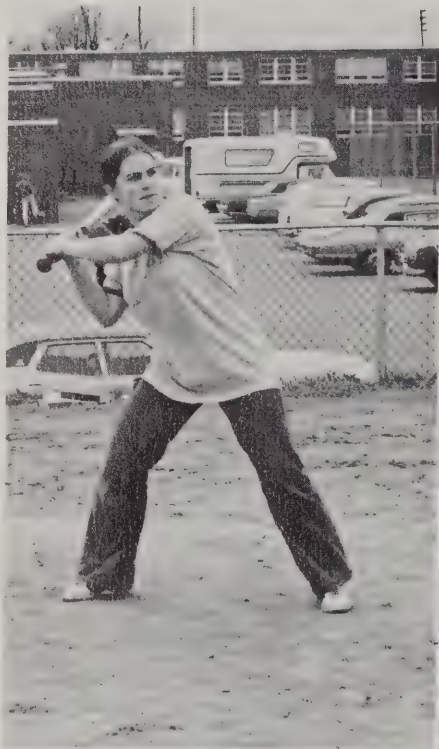

Coach Mrs. Hackett and co-captains, Joan Walden & Lori Pond, are about to discuss strategy with the team.

Under the coaching of Mrs. Hackett, the girls' J.V. Basketball team is close to completing another successful season. With just one game to go, the JV has compiled an overall record of 5-5. The addition of many talented freshmen helped the returning players to have a fine season. The girls lost several of their games by very slim margins, and with a few breaks, could have easily won more games. Many of the JV players will prove to be an asset to next year's Varsity.

Susie Sinnot soars high as she easily out jumps her opponent.

Spring Sports: Track & Softball

VARSITY TRACK

The girls' track team starts each season with tryouts which involve time trials in each event.

Coach Spencer discusses the day's workout schedule with a team member.

The Girls' Varsity Track Team, under the coaching of Mrs. Spencer, is looking forward to a highly successful season this spring. It is Mrs. Spencer's first year of coaching the squad and she plans to learn as the season progresses. This year the meet schedule has changed to include two new events, the mile run and the mile relay. Though there are only a handful of returning letter-winners, the large incoming group of girls look quite promising.

Jill Kriser and Luanne Zamarra practice their handoff with the baton.

Varsity Cheerleaders Produce School, Town Spirit

Varsity Cheerleaders — Row 1: Donna Wood, Carolyn Best, Jackie Thompson, Jeanette Voas; Row 2: Pam Mason, Sharon Geary; Row 3: Toni Prencipe, Diane Huband, Karen Giovacchini, Gia Gullace, Karen Legan, and Jackie Fox.

A 1964 Varsity Cheerleader

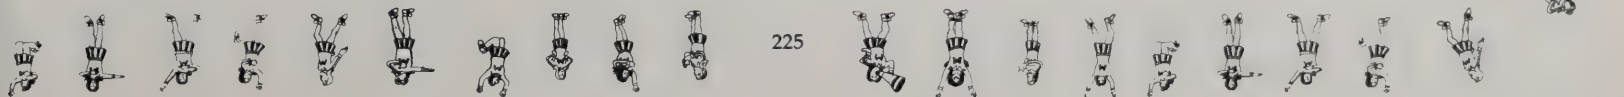

Using many innovative ideas such as a "black-light" pep rally and a spirit parade through Vienna, the 1974-75 Varsity Cheerleading Squad tried their best to bring spirit to Madison High. With aid from Coach Sell and tremendous support from the student body, the Warhawks truly did have the spirit, evident when awarded the most spirited school in Northern Va. by the Northern Va. coaches. Represented at every varsity sport event, the cheerleaders with Mrs. Davis as sponsor, were led by hard-working captain, Karen Giovacchini aided by Gia Gullace as co-captain.

"Have you got the spirit? YEAH MAN!"

Donna, Karen, and Toni show their spirit at our first "black-light" pep assembly.

JV Encourages Sophomore Enthusiasm

This year's J.V. Cheerleaders added new smiles and voices to all Junior Varsity games at Madison. After getting everything really together, they proved to be one of the greatest spirit boosts to not only the guys who they cheered on, but also to the entire Class of '77. These ten sophomore girls elected Judy Christie to lead as captain of the squad and Karen Hagen to help carry the load as co-captain.

The JV find out that cheerleading is not strictly fun and games; it involves a lot of hard work, too.

The girls arouse town spirit for the homecoming game.

J.V. Cheerleaders — Row 1: Judy Christie, Karen Hagen; Row 2: Vicki Vasta, Linda Stewart, Pat Barbour, Kim Forbes, Donnelle James, Kathy Barry, Robin Lohr, and Jill Kriser.

Freshmen Cheerleaders — Row 1: Chrissy Sullivan, Mary Kragie; Row 2: Pam Rollman; Row 3: Mary Cooke, Laura Wilkins; Row 4: Kathy McMahon, Eveline Balac; Not Pictured: Lisa Ingram and Linda Jenkins.

Frosh Cheerleaders Generate '78 Super Spirit

With great Frosh teams and a very spirited Class of '78, the Freshmen Cheerleaders got off to a great start. The entire squad continued to work extremely hard throughout the year under the instruction of Mrs. Davis. The

1974-75 cheerleading captain of the football season was Eveline Balac while Laura (Boo-Boo) Wilkins was the cheerleading captain for the Frosh basketball season.

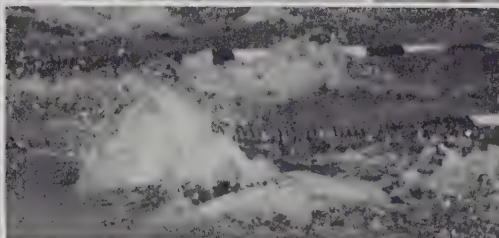

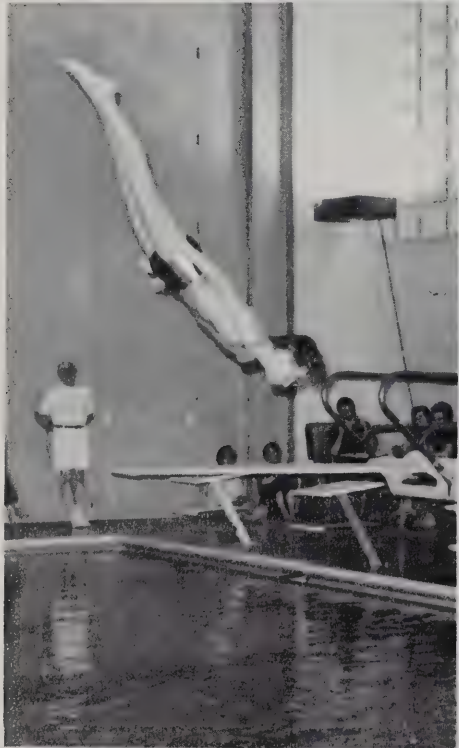

The squad cheers wildly at their first pep rally.

Practice . . . Practice . . . Practice!!!

THE VARSITY SWIMMING

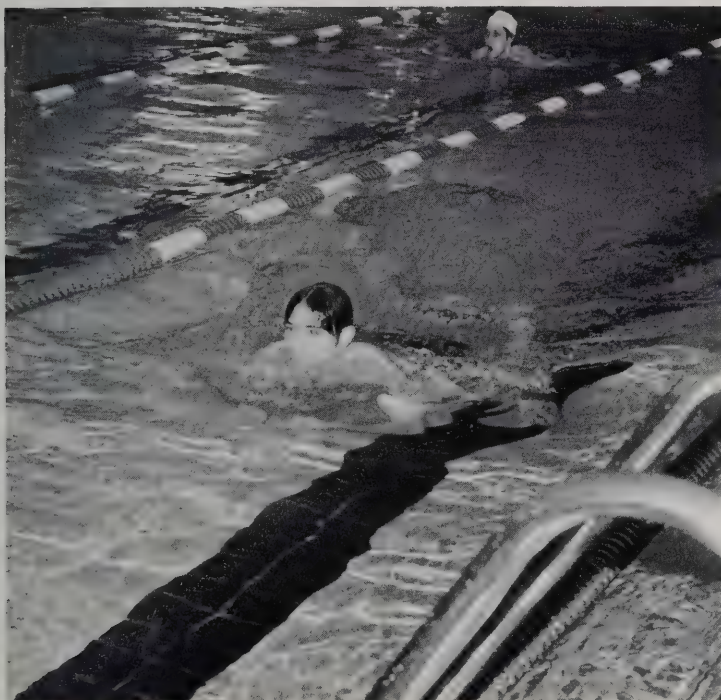

AND DIVING TEAM '74-'75

Row 1: Diane Morse, Karen Mitchell, Laura Riley, Julie McGuire, Diane Fama, Katie Donahue, Kathy Wanzeck, Cathy Duffy, Beth Macon, Diane Duffy, Jeri Schrader. Row 2: Linda Whitaker, Jody Keyser, Nancy Wenning, Elaine Ross, Tricia McMahon, Karen Kimball, Gay Trumbull, Karen MacDowell, Cathy Yost, Sally Kimball, Kathy Fearson, Margie Taylor, Mary Steel, Anne Foster. Row 3: Teresa DeConcilis, Jim Manderson, David Lieb, Steve Williamson, Chuck Owens, David Mayo, Patty Molthen, Mark Smith, Bobbi Fiedler, Donna Nensel, Laura Gliniecki, Marie McMahon, Richard Russo. Row 4: Jim Wenning, Tim Grider, Kirk Havens, Barry Lieb, Kirk Stevens, Jim Dickmeyer, Richard Donahue, Doug Fearson, Mark High, Chuck Peterson, David Fiedler, Skip Yost, and Will McMahon.

The Varsity Swimming and Diving Team had a very successful season this year. Under the coaching of Chuck Sell, the team won four meets and only lost two. This is a considerably better record than those of the past years and since the team consists of primarily underclassmen, the future looks bright. The swim team finished the season placing fourth in the district meet. Twelve swimmers then went on to compete in the regional meet at Wakefield H.S. and the state meet at Univ. of Virginia. They represented Madison well.

What are you smiling about?

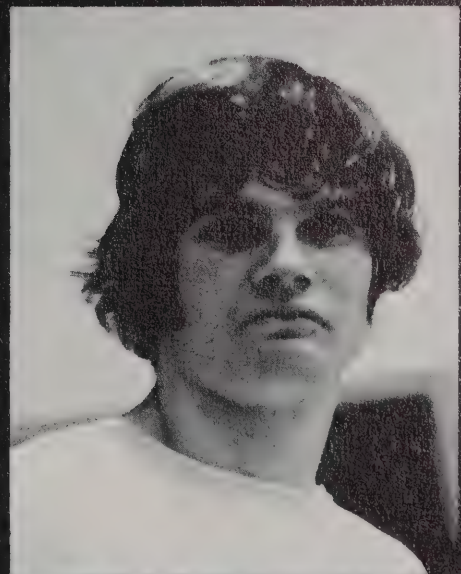

"After so much practice, will I get to play?" for many, a real question.

High Hopes to . . . Dashed Dreams

"If there is a team that will challenge G.C. Marshall for the district title, that team is James Madison . . .", predicted the Star-News. It didn't turn out that way. Why not, lack of talent? No, our team, although young, had some of the best speed on offense and one of the top defenses in the area. Could it have been lack of student body backing? Spirit was never greater at Madison. Coach Sell proved to be an ultra exuberant public relations man. Nevertheless something was missing. We did not have the consistency usually attributed to strong leadership. With our fantastic upset of West Springfield we proved we could, with our record we proved we didn't.

Mike, how was the season?

Oh, I see . . .

CROSS COUNTRY

Under the leadership of Coach Moss, the Cross Country Team had an interesting and disappointing season this year. The team, led by senior Chuck Forbes, practiced for grueling hours preparing for their weekly meets. Participating in the Georgetown Invitational and Fairfax County meets they gallantly competed against some of the top runners in Virginia. Although the team hoped to post a better season record, they have many young faces with lots of future potential.

MADISON GOES ALL THE WAY

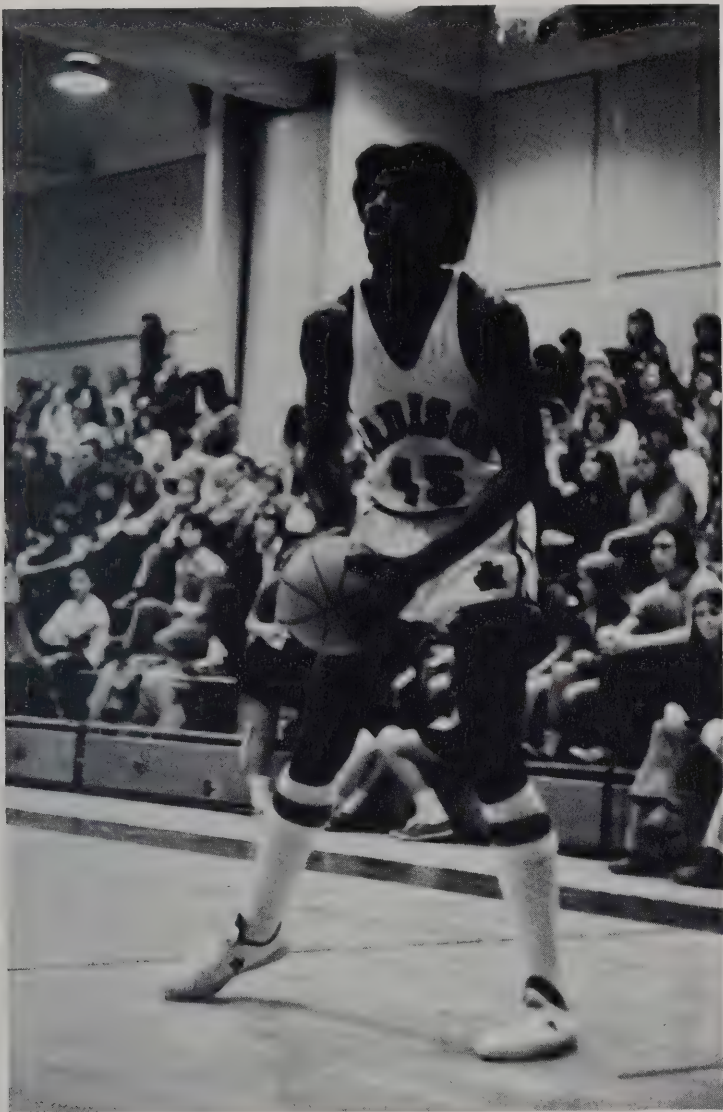

OUR GREATEST SEASON EVER

... But out of all there emerges one — Madison. For this is the year of the Warhawk, rising high and far above all others. It is a team blessed with individual stars and a coach who has a knack for winning. . . . Their sights on top seed in the Regional tournament and an eventual trip to the State playoffs in Charlottesville, coach George McLean's Warhawks of James Madison have just one goal they're in quest of: the Virginia State AAA Basketball Championship. But unlike many who set their sights on a particular goal the Warhawks are taking 'em one at a time and overwhelming their foes in the process. . . . a record-breaking 124 points against Washington-Lee. . . . abruptly shattered Yorktown's nine-game winning streak last night, 89-65, behind an impressive one-two punch of Alan Mercer and Greg Jones. . . . they wound up their most successful regular season ever with a 107-57 win at home last Friday night over hapless Oakton for their 13th straight win and 16th straight district victory. . . . the highest ranking of any Northern Virginia school in all the polls. . . . it's not like they've just barely been winning they've been blowing teams out of the gym. . . . Coach McLean stated it best when he said "They're unselfish; they're playing like a ball team that's why they're winning — there's no real standout." . . . but it won't be an easy task come Regional Playoff time. . . .

This week's Top Ten reads — Madison #1; there's none better! . . . Madison shot down a determined Oakton squad 71-53 in the opening-round action of the District Tournament. . . . Vince Villani hit 15 of 21 shots for a career high 33 points in the semi-final game as top-seeded Madison overwhelmed Herndon 84-62. . . . Unsung point guard Mike Conrad and little used reserve Tim Clarkin were the surprise heroes as the Warhawks defeated Yorktown 67-64 to capture the Great Falls District Championship and enabling them to carry Virginia's longest winning streak into the Northern Region Tournament. . . . who would have suspected that Madison, so impressive during the regular season, would lose to Woodson in the regional open. . . . The Cavaliers took advantage of Madison's foul situation and proceeded to sink 23 of 27 free throws. . . . It's an end to a season we'll never forget. . . . But they're still #1.

Big Al Mercer in midst of play.

Varsity Wrestling Team and JV Wrestling Team

Both the Varsity and Junior Varsity teams had fantastic seasons and outstanding players this year. The J.V. had 11 wins, no losses and one tie, entitling them to be named District Champions. Individual champs were Bob Shonerd, Jeff Donnelly, and Bart Tschirgi. The Varsity had an 8-3 record and became 2nd in the District. They placed fourth in the Regional match, with outstanding players Mike Williams (District Champion) and Tim Thompson (Regional Champion and State Runner-up).

Varsity Could Do It All

Tom (Whale) Cooke lights into one, while some of the team relax during a rainy indoor practice.

This year's team has got what it takes if they can put it all together before much of the season has past. With nine returning lettermen from last year's Regional runnerup team, they've got enough experience, but the shoes of Brian McMahon and the others are hard to fill.

Along with the new Head Coach, Don Roth, the guys are enjoying the addition of four girls managers. The girls work hard keeping the field and equipment in shape but also give the dugout a much more interesting atmosphere.

Besides keeping the managers busy with plenty of work, Coach Roth has the guys practicing hard with the hope of equalling or bettering last year's mark.

Managers: Julie Bruesch, Nancy Cox, Mike Grossman, Sue Burkhalter, Patty Payne

Track Gains Experience

This year's team has got to be one of the largest. They are starting off with about forty guys, with most of the team strength concentrated in the running events. Some fine performers from the Winter Track team will be adding some much needed experience.

It seems that the girls are invading everywhere. The Track team also has four girls that act as managers and timers for meets. The guys are really working hard under Head Coach Reilly, and they should post a very respectable record for the season.

Scott, you know better than to argue with the coach!

Coach Hannah shows two newcomers the right grip.

Plagued with cold, rainy, and windy weather well into the month of April, the 1975 Madison Golf Team, coached by Mr. Hannah, got off to a slow start. But as appropriate golfing weather arrived, the scores improved greatly as the players practiced hard and began to exhibit their natural talents. The Golf Team, with many returning lettermen and the addition of other experienced golfers, certainly should place high in the important District, Regional and State Competition.
